## What is the Focus Card?

- A Visa® prepaid card issued by U.S. Bank.
- Payroll is automatically loaded to the card just like direct deposit to a bank account.
- Works like other Visa debit cards to make purchases, pay bills or get cash.

## Why a Prepaid Card?

### Employer Perspective

Issuing paper checks is expensive. Postage, paper, administrative costs, replacement expenses, etc. The Focus Card is a form of direct deposit that allows for greater electronic payments while providing a benefit to employees.

### Employee Benefits

**Fast** – Funds available the morning of payroll. No waiting for a check.

**Safe** – Safer than carrying cash. Visa protection if lost or stolen.<sup>1</sup>

### Ideal for employees who:

- Don't have or want a bank account
- or –
- Want a separate account to help with budgeting
- Want access to their money without the hassle of paper checks

<sup>1</sup> The Visa Zero Liability Policy protects you against unauthorized purchases. U.S.-issued cards only. This does not apply to ATM transactions or to PIN transactions not processed by Visa. You must immediately report any unauthorized use.

<sup>2</sup> Successful identity verification required. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. If necessary, we may also ask to see your driver's license or other identifying documents.
